Macomb County to Host Business Competitiveness Meeting

Community Business Leaders Urged to Testify to Committee

(LANSING) – State Senator Alan Sanborn, R-Richmond, today announced the Joint Committee on Business Competitiveness will meet Monday, April 28 in Macomb County.

The meeting will commence at 2:00 p.m. in the John R. Dimitry Student Community Center, Room 137 on the campus of Macomb Community College, located at 44575 Garfield Rd in Clinton Township.

The committee, co-chaired by Senator Sanborn and Rep. Clark Bisbee, R-Jackson, was established earlier this year with the responsibility of making recommendations to the Legislature on how to maintain current and attract new business investment while increasing the number of good-paying jobs for Michigan workers.

Local companies, business organizations and local economic development professionals are encouraged to attend and testify at the committee meeting.

Those interested in testifying are asked to be ready to make specific recommendations as to how the state can maintain and/or improve Michigan's business climate and competitiveness with other states.
